Dear Parents / Guardians

The school session for the academic year 2023-24 has ended. We are thankful to the almighty for the countless graces and blessings showered upon all of us, students, teachers, parents, well-wishers and all those who are connected to our institution.

New Academic Session:

The new academic session 2024-25 for all the classes will commence from Monday, 08th April 2024 (7 AM to 12:30 PM). All promoted students must show their Report Card to the respective class teachers on the first day itself after the reopening of school. New students must show the photocopy of the Admission receipt to the class teacher on the first day of class.

Fee:

In order to meet all our financial commitments there will be a marginal session in the school fee for the new session 2024-2025. You must re-enrol your ward before 20/04/2024 either at the school's fee counter or through online payment mode. Otherwise, it will be considered that you are not interested in continuing your ward's studies in this school.

Books & Notebooks:

Books of STD LKG to VIII are available at the school's counter, which you can purchase by paying the amount displayed on the notice board. STD IX & X students will purchase NCERT books from the open market. All of you must purchase good quality notebooks from the open market, as per the required number of notebooks shared by the class teachers in their respective class-groups books & the notebooks should be properly covered with brown cover paper.

We trust and look forward to your wholehearted support, cooperation and understanding so that we can continue to provide your children with the best quality education.

With best wishes,

Dr. Arpana Singh
(Headmistress)
